From PRAVADA LLC » 12/11/2015 05:19

Please respond to the two questions below using the memo box at the bottom of the form and resubmit your form for FDA review.

Is the address on this form the location of a cosmetic manufacturing and/or packing facility or a business address? Or are your products manufactured and/or packaged by a contractor?

This is the business address and the address of the packing facility - they are the same. Our products are manufactured by contracted labs.
